NB: THE GATE IS LOCKED AT 16H00

De Mond is a near pristine coastal reserve situated at the mouth of the Heuningnes River, extending eastwards to Waenhuiskrans. The reserve offers ideal protection to roosting seabirds and breeding grounds for the Damara tern.

The nature reserve provides visitors with plenty of opportunities for hiking along the coast, angling in the emerald waters near the river mouth, exploring the Waenhuiskrans cave, rediscovering the local shipwrecks, or picnicking under the milkwood thicket near the reserve's Welcome Centre area.

Although it is close to the popular coastal towns of Arniston and Struisbaai, the serenity of the reserve allows visitors a chance to appreciate 'the quiet' and is an ideal place to go when stressed, for relaxation.

There is currently no self-catering accommodation on De Mond; however, tourism development plans are in progress. The new Damara Trail provides overnight opportunities.

From Cape Town, take the N2 to Caledon, before turning off on to the R316 to Bredasdorp. From Bredasdorp, the reserve can be approached from either the R319 to Struisbaai or the R316 to Arniston.

To view De Mond Nature Reserve in Google maps, go to <https://www.google.com/maps> and insert these coordinates: 34°42'36.81" S 20°06'17.41" E. Then select "search" for the map to display.

DAMARA TRAIL

The coastal Damara Trail is a 16,5km 2-day overnight slow hiking trail from De Mond to Waenhuiskrans/Arniston. This linear trail takes you along a beautiful coastal route past the Waenhuiskrans cave, and historical fish traps and middens once used by the Khoi and San people. Hikers will also see the remains of an old shipping beacon – a concrete structure on the beach, which carried a copper ball that reflected sunlight and warned skippers off the reef. Secure parking on arrival is available at the De Mond Nature Reserve Welcome Centre.

Enhance your hiking experience with our '**Trailblazer's Treasure Chest**,' waiting for you at the overnight camping deck. This 150L box includes 8 forks, 8 steak knives, 8 butter knives, 8 teaspoons, 8 dessert spoons, 8 stainless steel cups, and 8 stainless steel plates. Additionally, it contains 1 braai tong, 1 wine bottle opener, 1 foldable tripod, 1 spatula, 1 pot stand, 8 stainless steel wine glasses, 1 peeler, 2 wooden spoons, 8 glasses, 1 flat potjiekos pot with bag, 1 fire kettle, 1 oval casserole, 2 black refuse bags, 1 holder with dish washing liquid and 1 braai grid.

Additional amenities waiting for you at the overnight camping deck include:

- 8 x 2 sleeper tents with sleeping pads.
- Eco logs for braaiing.
- A waterless toilet.
- A JoJo tank for water storage.

Enjoy a memorable coastal adventure on the Damara Trail, combining natural beauty and rich history. **NB:** Bring headlamps—see the 'What to Bring' list

De Mond Welcome Centre to overnight camp site

5,5 km - Easy to Moderate ± 2 hours

The trail passes through dune forest and stabilised dunes.

The first overnight is a camping under the stars experience in the coastal dunes 300m from the sea.

Overnight camp site to accommodation

11 km - Moderate ± 4 hours

The extensive walk along the beach is highly rewarding, leading to splendid views and turquoise rock pools. It's important to avoid disturbing the delicate calcrete formations and keep an eye out for fascinating seabirds such as the threatened Damara and Caspian terns. Additionally, you may spot the rare African Black Oystercatcher and White-Breasted Cormorants as they bask in the sun.

On the second evening, you have the option to stay in a self-catering facility in the charming Waenhuiskrans fishing village. If you prefer not to stay overnight, a shuttle will return you to your car, departing from the pickup point at 12h30.

AN INCLUSIVE SHUTTLE SERVICE

Shuttle leaves at 12:30 from the pickup point.

An inclusive shuttle service on day three from Waenhuiskrans back to your car at De Mond is also provided.

Shuttle service number: **064 709 5488**.

De Mond

NATURE RESERVE

Stay safe when hiking

- Wear comfortable walking shoes, sunscreen and a hat
- Don't hike alone
- Carry enough food and water for the trip
- Make sure to check the weather and tidal times before departing
- Take a warm jacket/raincoat in winter
- Take a field medical kit along for emergencies
- Obey all signage
- Stay in a group and keep to marked trails

LOST & FOUND

It is every hiker's responsibility to look after their own goods. Rather leave all jewelry at home or lock it away in your car.

Make sure that your cameras and mobile phones are packed properly in your daypacks to prevent them from falling out along the way.

Any items of value collected on the trail must be handed in to a CapeNature representative at the De Mond Nature Reserve gate.
